## Mission & Vision

### ***Vision***

आ नो भद्राः क्रतवो यन्तु विश्वतः

Let noble thoughts come from all directions

This Vedic philosophy is the foundation belief and our source of motivation at VED.

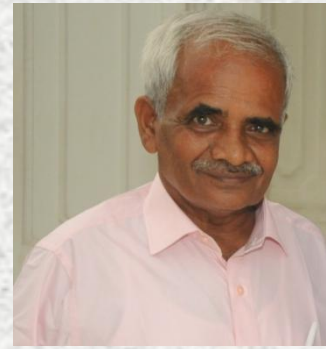

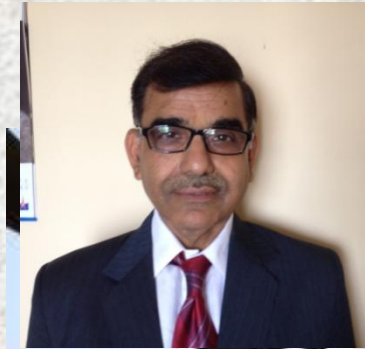

### ***Mission***

To help children & women's in low-income communities grow to their full potential by supporting enduring one-to-one relationships and financial support to change the life trajectory, providing study materials, school fees, logistic support and personal coaches.

To bring together expertise from socially oriented and self motivated individuals to create projects that deliver accentuated results. Additionally VED is a forum for all such individuals to collaborate and develop their ideas for efficient execution even outside of VED.

## Get Involved

Each & Every soul at Earth believe and feels some time in his/her life about contributing towards the betterment of the society in his/her own way. But to execute there are various obstacles in doing so like limitations pertaining to time, ensuring about contribution really go to the relevant hands and much more than that factor “How”.

In order to handle such challenges VED has made volunteering provisions that will give you the freedom to spread your message without disturbing your schedule by opting the volunteering options at VED.

There are various ways in which we can contribute towards society's progress as well as understanding the factor “How”. VED step out with some Program's like -

- Mental Health Program
- Financial Literacy Training and Financial Inclusion Program
- Medical & Healthcare Service
- Animal Legal Aid Program

• Many more in pipeline

# Volunteers for Enhancing Development

## Mentor Program

- India has a high dropout rate of 40 percent at the elementary level.
- VED wants to address the needs of youth and empower them to get suitable jobs.
- We will approach the youth who belong to low income groups, who have inadequate skills, family indebtedness, irregular employment and other such restrictions.
- We will teach English, computer skills, environmental care, communication skills and other basic things to the students. All this will be done free of cost.

## Volunteers for Enhancing Development Project – “School Chalo”

### **Financial support in uplifting underprivileged school children**

- VED supports the cause of uplifting underprivileged school children through “Chalo School” program.
- One can choose to sponsor underprivileged children for the betterment of their life by giving the best gift of life, making them literate.
- VED has initiated the process of signing MoU with the Government, Government aided and Private schools in Remote Areas
- VED aims to provide best Education and maintain high level of transparency in doing so.

# Volunteers for Enhancing Development Project – “School Chalo”

## Volunteers for Enhancing Development

### Project – “Medical & Ambulance Service ”

- VED envisages to launch ambulance service to ferry elderly and underprivileged people to hospitals at no cost.
- VED envisages to provide medical assistance (Availability of Medicines from near by shops )to the needy at their door steps
- Target to Launch the service- Sitapur by 2018.

# Volunteers for Enhancing Development

## Kritatva Legal Aid Program

- If people are aware of their rights and duties, the delivery of justice and balancing of various interests in a society becomes easier.
- Increase in legal literacy ultimately develops into a transparent and accountable environment truly based on the 'Rule of Law'.
- VED envisages to provide free legal services to women, children and oppressed sections of the society who are victims of misuse of laws.
- VED will take the help of such agencies who are providing such legal services.

## Volunteers for Enhancing Development
